Dear Sarah,

Re: ENTSO-E ITC Costs for 2022-23 – Final Dt Approval

Thank you for the opex Dt submission of the 31 March 2022 regarding *Inter-Transmission Compensation (ITC)* costs from ENTSO-E.

Given the comprehensive review of invoices in previous years, we are content to provide approval for the sum requested for tariff year 2022-23. Amount approved is detailed below [in April 2019 prices].

Tariff Year	SONI Request (April 2019 prices)	UR Allowance (April 2019 prices)
2022-23	£740k	£740k

The approved allowance sets the cap for costs which can be recovered in relation to this project. For avoidance of doubt, TSO overspend (i.e. under recovery) cannot be automatically adjusted through the K-factor without further approval by the UR.

Should you have any comments, queries or issues regarding this letter, feel free to contact Ciaran MacCann.

Yours sincerely,

Tanya Hedley
Director of Network Operations
