

Northern Ireland Sustainable Energy Programme 2023-25*

Call for Schemes – Registration

TO BE SUBMITTED BY 14 OCTOBER 2022

Primary Bidder (or Applicant to become Primary Bidder) _____

I confirm that the above is registered as a NISEP primary bidder or has registered to become a NISEP Primary Bidder and wishes to receive a scheme submission pack in order to propose schemes for consideration for the 2023-25* NISEP years.

****Approved schemes will run for two full NISEP years, subject to satisfactory performance in year 2023-24 and criteria defined in the Framework Document being met. To clarify, there will be no 'call for schemes' next year for 2024-25.***

Please indicate below the approximate **number** of each type of scheme you are considering submitting:

Priority Whole House Solution (WHS)		Priority WHS - Innovative	
Priority Individual Measures		Non-Priority/Priority - Innovative	
Non-Priority Conventional			

If a scheme indicated above includes the install of an **innovative** measure, please insert the measure/s below, so that additional information is included in the scheme submission pack, where applicable:
