

Notice Under Article 10(4) of the Electricity (Northern Ireland) Order 1992 (the Order)

for Heron Storage Limited

About the Utility Regulator

The Utility Regulator is the independent non-ministerial government department responsible for regulating Northern Ireland's electricity, gas, water and sewerage industries, to promote the short and long-term interests of consumers.

We are not a policy-making department of government, but we make sure that the energy and water utility industries in Northern Ireland are regulated and developed within ministerial policy as set out in our statutory duties.

We are governed by a Board of Directors and are accountable to the Northern Ireland Assembly through financial and annual reporting obligations.

We are based at Queens House in the centre of Belfast. The Chief Executive leads a management team of directors representing each of the key functional areas in the organisation: Corporate Affairs, Markets and Networks. The staff team includes economists, engineers, accountants, utility specialists, legal advisors and administration professionals.

- · Be a collaborative, co-operative and learning team.
- · Be motivated and empowered to make a difference.

Abstract

The purpose of this public notice is to bring to the attention of persons likely to be affected by the grant of the proposed licence for Heron Storage Limited and to invite representations or objections in connection with it. The proposed licence for Heron Storage Limited is in respect of battery storage.

Audience

Persons likely to be affected by the grant of the proposed licence referred to above.

Consumer impact

The Authority considers that the grant of the proposed licence would be an appropriate course of action for it to take. The Authority's principal statutory objective is to protect the interests of consumers of electricity supplied by authorised suppliers. This is done, wherever appropriate, by promoting effective competition between persons engaged in, or in commercial activities connected with, the generation, transmission, distribution or supply or electricity.

NOTICE UNDER ARTICLE 10(4) OF THE ELECTRICITY (NORTHERN IRELAND) ORDER 1992 (the "Order")

Pursuant to Article 10(4) of the Order, the Northern Ireland Authority for Utility Regulation (the "Authority"), hereby gives notice as follows:

- 1 It proposes, in accordance with Article 10 (1) of the Order, to grant a licence to generate electricity to Heron Storage Limited (NI682405) a limited company having its registered office at 2 St Patricks Street, Magherafelt, Draperstown, Co. Londonderry BT45 7AL (the "Proposed Licensee").
- 2 The Authority considers that the grant of the proposed licence would be an appropriate course of action for it to take as such grant is in keeping with the Authority's principal statutory objective in that it protects the interests of consumers of electricity supplied by authorised suppliers, wherever appropriate by promoting effective competition between persons engaged in, or in commercial activities connected with, the generation, transmission, distribution or supply of electricity.
- 3 The Authority further considers that the application made by the Proposed Licensee has been made in the prescribed manner and that the appropriate fee has been submitted.
- 4 The purpose of this public notice is to bring to the attention the grant of the proposed licence referred to above to persons likely to be affected by such grant and to invite representations or objections in connection with it. Any representations or objections with respect to the proposed licence may be made **on or before 16 November 2022.**
- 5 A copy of the proposed licence can be obtained in electronic form or in hard copy form from the Authority using the contact details below:
