Dear Roger

### **Additional Transmission Network Shunt Reactors at Castlereagh Main and Tamnamore Main**

This letter sets out the Utility Regulator's decision in respect of costs for Additional Transmission Network Shunt Reactors at Castlereagh Main and Tamnamore Main, under paragraph 4.34 of Annex 2 of the NIE Networks Transmission Licence.

Our decision takes account of the information provided to us in your submission of 28 April 2023 and the subsequent query process.

We have determined an additional allowed CAPEX amount (ACTR\_Xt) of £4,599,631 (2022/23 price base) for the construction works as profiled below:

	FY23/24	FY 24/25
Amount	2,555,350	2,044,281

We will publish the decision by uploading it to our website and including it in the public register required under Article 57 of the Electricity (Northern Ireland) Order 1992

Under paragraph 4.35 of Annex 2 of the NIE Networks Transmission Licence the Utility Regulator may make a determination subject to conditions with which the Licensee shall be required to comply, including conditions as to the monitoring, audit and reporting in relation to the project. In respect of this determination the Licensee shall, in addition to ongoing RIGs reporting, maintain records of costs in sufficient granularity to provide a report or reports of

costs against the headings identified in the submission of 28 April 2023 and shall report these costs to the Utility Regulator on request. This will provide the Utility Regulator with additional information and experience which will help inform future decisions of this type.

Yours sincerely
