Dear Carl,

Injurious Affection – recovery of costs incurred in 2022/23

I refer to your letter dated 29 June 2023 regarding the above and the accompanying attachments.

The Authority's Decision

Having examined these costs we have determined that they have been properly and necessarily incurred as part of your ongoing handling of claims and in defending these claims in court. The Utility Regulator therefore approves the total of £243,563.80 (in nominal prices) as provided for under the IAt term at paragraph 6.15 of Annex 2 of NIE Networks' Participate in Transmission Licence.

Please note that this Decision will be published on our website as required by your Licence. We will also keep a record of this on the Public Electricity Register as required by the Electricity (Northern Ireland) Order 1992.

Yours sincerely,

Jillian Ferris
Head of Networks
