Dear Leanne,

Re: Interconnector Administrator TY 2024-25 – Final Dt Approval

Thank you for the opex D_i submission of the 29 March 2024 regarding Interconnector Administrator (IA) costs for tariff year 2024-25.

Having reviewed the submitted detail, we are content to provide approval for the full sum requested of £50k under Annex 1, paragraph 8.6(a) of the licence. The amount approved is detailed below for confirmation.

Tariff Year	SONI Request (April 2019 prices)	UR Allowance (April 2019 prices)
2024-25	£50.0k	£50.0k

The approved allowance sets the cap for costs which can be recovered in relation to this project. For avoidance of doubt, TSO overspend (i.e. under recovery) cannot be automatically adjusted through the K-factor without further approval by the UR.

Given that the full allowance is being provided, we do not see any need for a draft determination on this occasion. I trust this satisfies your requirements at this time. Should you have any comments regarding this letter, feel free to contact Ciara Brennan.

Yours sincerely,

Peter Russell
Executive Director
Price Control, Networks, and Energy Futures
