

## **NOTICE**

### **UR Investigation Initiation: Northern Ireland Water Limited**

The Utility Regulator ('UR') has opened an investigation into whether Northern Ireland Water Limited (NIW) has complied with Condition F of its Instrument of Appointment (the licence) as a water and sewerage undertaker.

A summary of this condition is provided in the table below:

Condition number	Condition title	Summary of Condition
F	Accounts and accounting information	This condition relates to accounts and accounting information including NIW's obligations in relation to its financial resources.

**Please Note:** The opening of this investigation does not imply that any findings of non-compliance have been made.
