Dear Kevin

**THE PROPOSED ACQUISITION OF EAST SURREY HOLDINGS PLC BY  
KELLEN ACQUISITIONS LIMITED – IMPLICATIONS FOR PHOENIX NATURAL  
GAS LIMITED**

Thank you for the opportunity to see the above Consultation Paper by the Northern Ireland Authority for Energy Regulation.

There is nothing in these proposals that would impact on Roads Service business and I have no comments to make on this issue.

Yours sincerely

**DAVID ORR**  
Director of Network Services
