DISCOUNTS FOR HOMES

Enjoy two weeks free electricity every year when you pay by Direct Debit

Pay by monthly Direct Debit and get 4% discount off your bills (saving up to £28 a year - £7 a quarter). On average this will pay for two weeks electricity every year. To 'sign up' please call our Customer Helpline with your bank details - no forms, no fuss.'

Discount of 2.5% with 'Pay As You Go' Keypad

Similar to buying top-up's for a mobile phone, you can now buy electricity as you need it with a 'Pay As You Go' keypad meter. You will also get a discount of 2.5% off the standard unit rate. To have a keypad meter installed free of charge, call our Customer Helpline.
