

**Notice of proposal to grant an  
extension to the gas supply licence  
held by Go Power**

**18 December 2015**

# About the Utility Regulator

The Utility Regulator is the independent non-ministerial government department responsible for regulating Northern Ireland's electricity, gas, water and sewerage industries, to promote the short and long-term interests of consumers.

We are not a policy-making department of government, but we make sure that the energy and water utility industries in Northern Ireland are regulated and developed within ministerial policy as set out in our statutory duties.

We are governed by a Board of Directors and are accountable to the Northern Ireland Assembly through financial and annual reporting obligations.

We are based at Queens House in the centre of Belfast. The Chief Executive leads a management team of directors representing each of the key functional areas in the organisation: Corporate Affairs; Electricity; Gas; Retail and Social; and Water. The staff team includes economists, engineers, accountants, utility specialists, legal advisors and administration professionals.

## Our Mission

Value and sustainability in energy and water.

## Our Vision

We will make a difference for consumers by listening, innovating and leading.

## Our Values

Be a best practice regulator: transparent, consistent, proportional, accountable, and targeted.

Be a united team.

Be collaborative and co-operative.

Be professional.

Listen and explain.

Make a difference.

Act with integrity.

## NOTICE UNDER ARTICLE 8(4) OF THE GAS (NORTHERN IRELAND) ORDER 1996

Pursuant to Article 8(4) of The Gas (Northern Ireland) Order 1996 (“the Order”) the Northern Ireland Authority for Utility Regulation (“the Authority”), hereby gives notice as follows:

- 1) It proposes, in accordance with Article 8(2)(a) of the Order, to extend the [licence](#) to supply gas held by Go Power<sup>1</sup> (the “Licensee”) by increasing the authorised area.
- 2) The authorised area is set out in Schedule 1 of the gas supply licence and the proposal is to extend this area to include the West Area. The West Area is the Licensed Area within Schedule 1 of the [SGN Natural Gas Limited<sup>2</sup> licence](#).
- 3) The proposed extension will allow the Licensee an opportunity to supply gas to customers within the West Area when the network in the West Area has been developed.
- 4) The Authority considers that granting the proposed extension would be an appropriate course of action for it to take as such grant is in keeping with the Authority’s principal statutory objective in that it promotes the development and maintenance of an efficient, economic and co-ordinated gas industry in Northern Ireland.
- 5) The Authority further considers that the application made by the Licensee has been made in the prescribed manner and confirms that the appropriate fee has been submitted.
- 6) A copy of the proposed extension to Schedule 1 of the Go Power gas supply licence is shown in Annex 1. The proposed extension is shown in tracked change text.
- 7) Any representations or objections with respect to the proposed extension may be made on or before 22 January 2016 to:  
  
Karen Wilson  
Utility Regulator  
Queens House  
14 Queen Street  
Belfast, BT1 6ED  
Email: [karen.wilson@uregni.gov.uk](mailto:karen.wilson@uregni.gov.uk)
- 8) A copy of the licence showing the proposed extension can be obtained in electronic form on the Authority’s website or in hard copy form. To request a hard copy, contact Karen Wilson at the details above or by telephone on 028 9031 1575.

Dated this 18<sup>TH</sup> day of December 2015

**Kevin Shiels**  
**For and on behalf of the Authority**

---

<sup>1</sup> Licence was granted to LCC Power Limited on 23 October 2013. LCC Power Limited is trading under the name Go Power from 1 August 2015

<sup>2</sup> Licence was granted to Scotia Gas Networks Northern Ireland Ltd on 11 February 2015. They subsequently changed the company name to SGN Natural Gas Limited.
