Dear Sarah,

Re: ENTSO-E ITC Costs for 2021-22 – Final Dt Approval

Thank you for the opex Dt submission of the 31 March 2021 regarding Inter-Transmission Compensation (ITC) costs from ENTSO-E.

Given the comprehensive review of invoices in previous years, we are content to provide approval for the sum requested for tariff year 2021-22. Amount approved is detailed below [in April 2021 prices].

Tariff Year	SONI Request (April 2021 prices)	UR Allowance (April 2021 prices)
2021-22	£600k	£600k

The approved allowance sets the cap for costs which can be recovered in relation to this project. For avoidance of doubt, TSO overspend (i.e. under recovery) cannot be automatically adjusted through the K-factor without further approval by the UR.

Should you have any comments, queries or issues regarding this letter, feel free to contact Jody O'Boyle.

Yours sincerely,

Tanya Hedley
Director of Network Operations
