Dear Sarah,

Re: Interconnector Administrator TY 2021-22

Thank you for the opex D₁ submission of the 31 March 2021 regarding Interconnector Administrator (IA) costs for tariff year 2021-22. We are content to provide approval for the sum requested. Amount approved is detailed below [in April 2021 prices].

Tariff Year	SONI Request (April 2021 prices)	UR Allowance (April 2021 prices)
2021-22	£50k	£50k

The approved allowance sets the cap for costs which can be recovered in relation to this project. For avoidance of doubt, TSO overspend (i.e. under recovery) cannot be automatically adjusted through the K-factor without further approval by the UR.

We would expect any future IA submission should breakdown the costs by function as set out in the Operation and Agency Agreement (OAA) between SONI and Moyle.

Should you have any comments, queries or issues regarding this letter, feel free to contact Jody O'Boyle.

Yours sincerely,

Tanya Hedley
Director of Network Operations
