- 3 Where this Condition applies but subject to paragraph 4, the Licensee (taken together with its affiliates and related undertakings) shall not, in supplying or offering terms for the supply of electricity to Customers in any market in which it is dominant:
 - (a) show undue preference to any person (or class of persons) within such market;

- 8 For the purposes of this Condition, the Authority shall determine any question as to:

 - (ii) are intended or are likely to restrict, distort or prevent competition in the supply of electricity.
- 9 The Authority may, on the application of the Licensee, and following such consultation (if any) as the Authority may consider appropriate, issue directions relieving the Licensee of its obligations under this Condition in respect of such of the Licensee's arrangements or agreements as are specified in the direction and to such extent and subject to such conditions as may be specified in the direction.

 - (b) the application of Condition 14 (or part of it) is terminated by a notice (a “Disapplication Notice”) given by the Licensee in accordance with paragraph 5 and not withdrawn.

- 2 A Disapplication Request pursuant to this Condition may be made by the Licensee only where the Authority has notified the Licensee, in accordance with paragraph 8 of Condition 14, of its determination that the Licensee is dominant in a specified market.

- 3 Save where the Authority otherwise agrees, no disapplication following delivery of a Disapplication Request pursuant to this Condition shall have effect, earlier than the date (the “Disapplication Date”) which is 12 months after the date on which the request is made.

 - (c) where it is given shall:
 - (i) be in writing addressed to the Authority;

- (ii) specify Condition 14 (or any part of it, which shall comprise only such part as was specified in the Disapplication Request) to which the notice relates; and
 - (iii) state the date from which the notice is to take effect, which shall not be earlier than the Disapplication Date.
- 6 The circumstances described in this paragraph are that, by the beginning of the period of six months which will end the Disapplication Date, the Authority has not in response to the Disapplication Request published a decision under Article 14(8) of the Order to modify:
 - (a) Condition 14, or any part of it to which the Disapplication Request relates; or
 - (b) this condition 15, so as to remove the right of the Licensee to give to the Authority a Disapplication Notice in respect of the relevant Disapplication Request.
- 7 The circumstances described in this paragraph are that:
 - (a) by no later than the beginning of the period of six months which will end with the Disapplication Date, the Authority has in response to the Disapplication Request published a decision of a type referred to in paragraph 6;
 - (b) the Licensee has exercised its right to appeal to the CMA against that decision in accordance with Article 14B of the Order;
 - (c) the CMA has, in respect of the provisions to which the Disapplication Request relates:
 - (i) quashed the decision of the Authority under Article 14E(2)(a) of the Order; and
 - (ii) neither remitted the matter back to the Authority under Article 14E(2)(b) of the Order nor substituted its own decision for that of the Authority under Article 14E(2)(c) of the Order; and

- 3 Where the Licensee has reason to believe that any incident reported to the owner in accordance with paragraph 2 has been caused by the criminal act of any person it shall, on complying with the requirement of that paragraph, provide the owner with such information as is reasonably required for the purposes of investigating the incident and resolving any safety concerns arising out of it.

- 4 The Licensee shall inform the owner of its policy in relation to incidents of the type referred to at paragraph 3, and in particular of the circumstances in which it requires the owner and/or operator of the distribution system to which the premises are connected to remedy such incidents by the use of:

- 2 The Last Resort Supply Direction will:
 - (a) have effect on and from the date on which and the time at which the other supplier's electricity supply licence is revoked; and
