

**LICENCE CONDITION J
LEVELS OF SERVICE INFORMATION CERTIFICATE**

I refer to the documents dated August 2009 prepared by Northern Ireland Water as the Annual Information 2009 Return to the Northern Ireland Utility Regulator, which have been reviewed under my direction.

The Annual Information Return, for which Northern Ireland Water is solely responsible, includes Condition J (of the Instrument of Appointment) Levels of Service information.

In my professional opinion, based on and to the extent disclosed by sample monitoring carried out and as described in my Report to the Authority dated August 2009:

1. the Annual Information Return, in so far as it relates to Condition J Levels of Service information, has been properly compiled by Northern Ireland Water, and in accordance with reasonable methods and procedures which are adequate for providing information to the stated degree of accuracy and to enable the Authority to make a fair assessment of the company's performance against Levels of Service indicators; and
2. subject to the qualifications expressed in my Report referred to above, the Annual Information 2009 Return, in so far as it relates to Condition J Levels of Service information, has been prepared in accordance with the methodologies described in the submission dated August 2009 to the Authority and that these methodologies are adequate for the purpose of obtaining Levels of Service information in accordance with the relevant reporting requirements.
