Hi Briega,

I hope you're keeping well.

In relation to this consultation can I register the following on behalf of Choice in relation to other comments?

The draft programme mentions that UREGNI operates the NISEP programme but it would be beneficial to expand upon this information with some more detail. Crucially we would ask UREGNI to support either a further extension of NISEP, post March 2018, or a suitable replacement scheme to benefit those in fuel poverty in Northern Ireland. Within their role as operators of this scheme we would like UREGNI to commit, within the 2017/18 programme of work, to ongoing communication with Government Departments and Industry to support a suitable approach post March 2018.

Many Thanks,

Brian
