Dear Sarah,

Re: SONI ENTSO-E Membership 2018/19 – Final Dt Approval

Thank you for your Dt submission on 5 July 2018 regarding the above. Within this submission you requested approval for the ENTSO-E membership fees for 2018/19.

Having given consideration to the information presented, the Utility Regulator approves the expenditure of £91k¹ based on cost estimates as described by SONI in the Dt submission.

We note that SONI is only seeking to recover the actual costs incurred, at the price base relevant for the year in which they are incurred.

These costs shall be recovered via an addition to the SONI allowed revenue via the D_{Tsot} element of the maximum core SSS/TUoS revenue in the price control year in which the costs are incurred.

I trust this is satisfactory for your requirements at present.

Yours sincerely,

Tanya Hedley
Director of Compliance and Network Operations
