Dear Mr Dane

NIE & T&D Price Control 2007-2012: Further Consultation Paper

Further to your recent consultation request, I regret to inform you that we are currently unable to respond. As a result of the increased number of consultation requests we receive, we now assess all requests against a number of criteria central to the charities key objectives. Unfortunately, your consultation request has not been prioritised at this time.

We would be grateful if you would keep Help the Aged on your consultation database as future requests may receive a different prioritisation.

I look forward to working with you in the future.

Yours sincerely

P.P. Kathy Taylor
