##### 2.1.1 Process Flow Diagram

## **Retail Market Guide NI 19 – Terminate Connection**

### 2.1.2 Process Description

Step	Role	Action	Interface
1	<b>Customer</b>	Where a Customer wishes to have a service cable Terminated they will contact NIE to request Terminate Connection. Customers can either call NIE or send a written request.	Phone Call or Letter to NIE
2, 3	<b>NIE</b>	<p>NIE will review any request from a Customer to Terminate a Connection. NIE will determine whether the request is an emergency situation and if so proceed with removal of the service cable immediately.</p> <p>Where it is not an emergency situation NIE will issue an application pack to the Customer for the removal of the service cable.</p> <p>Where a site has not been de-energised NIE will advise the Customer to contact their Supplier to request de-energisation.</p>	Application Pack to Customer
4	<b>Customer</b>	The Customer completes the application pack for the removal of service cable and send this to NIE	Completed Application Pack to NIE
5	<b>NIE</b>	<p>NIE will review the completed application pack and issue formal terms and payment details to the Customer</p> <p>NIE will also advise the Customer to contact their Supplier to request de-energisation if the site has still not been de-energised.</p>	Formal Terms and Payment Details to Customer
6	<b>Customer</b>	<p>The Customer reviews terms and payment details and provides payment to NIE for work to proceed.</p> <p>If the Customer does not agree to the terms or provide payment NIE will not proceed with the removal of the service cable.</p>	Agreed Terms and Payment to NIE
7	<b>NIE</b>	On receipt of payment and provided that the site has been de-energised NIE will complete the Fieldwork to remove the service. Once the Fieldwork is completed NIE will send a De-Registration advice to the Supplier	122 to Supplier
