Licence modification to amend the definition of domestic consumer

Dear Barbara

Mutual Energy Limited (MEL) is grateful to have the opportunity to respond to this consultation on behalf of its three wholly owned subsidiaries Premier Transmission Limited, Belfast Gas Transmission Limited and West Transmission Limited (formerly Northern Ireland Energy Holdings Limited) which hold licences to convey gas granted pursuant to the Gas (NI) Order 1996.

MEL believes that consultation paper clearly outlines the reasons for the proposed modifications to Section 1.1 of the conveyance licences. Based on this explanation and the limited scope of the changes, MEL has no objection to these proposed modifications.

Should you wish to discuss any aspect of our response please do not hesitate to contact me.

Yours sincerely

Stephen English
