Dear Ronan,

**The Water and Sewerage Services (Northern Ireland) Order 2006 Article 201 (7)
NI Water Scheme of Charges 2020-21 – Regulatory Approval**

Further to receipt of NI Water's revised Scheme of Charges proposal for 2020-21 to apply from 1 October 2020 received on 15 September 2020, we confirm the Utility Regulator approval, under Article 201(7) of NI Water and Sewerage Services Order 2006.

The Utility Regulator approves charges included within price limits (Condition B of the licence and infrastructure charges, Condition C of the licence) and note these have been included within the overall NI Water Scheme of Charges document. A number of other charges are also included within the document. These charges are not subject to approval under the Order, but can be determinable on a case by case basis.

Should you have any specific queries in relation to our approval as outlined in this letter or any associated issues, please do not hesitate to contact me.

Yours sincerely,

Tanya Hedley
Director of Networks
