<sup>1</sup> Schemes may not start immediately as it can take a few weeks to set up and as funding for each scheme is limited, schemes will only run whilst funds are still available. Therefore some schemes may be closed to further applications before the end of March 2012. Please contact the Scheme Manager, using the contact details specified, to clarify the availability of grants and further details about the individual schemes.

<sup>2</sup> Priority schemes, both whole house and individual measures, are aimed at low-income customers who do not qualify for grants under the Warm Homes Scheme run by the Department for Social Development.
