

Northern Ireland Sustainable Energy Programme

Schemes running from April 2012 to March 2013¹

1. Priority² (Low-income Households) – Whole House Solutions

Scheme Name	Scheme Description	Target Customers	Scheme Manager and Application Details (if appropriate)
Cosy Homes	Heating and insulation measures: <ul style="list-style-type: none"> ▪ Grant of up to £1,000 towards heating and £150 towards insulation ▪ Energy saving light-bulbs (2) ▪ Energy saving advice for tenant 	Housing Association Properties	Power NI Housing Associations will be responsible for selecting properties and funding remainder of cost.
Cosy Homes Shelters	Heating measures: <ul style="list-style-type: none"> ▪ Grant of £1000 per residential property towards 3 communal boilers and heating systems 	Housing Association Properties	Power NI Housing Associations will be responsible for selecting properties and funding remainder of cost.

¹ Schemes may not start immediately as it can take a few weeks to set up and as funding for each scheme is limited, schemes will only run whilst funds are still available. Therefore some schemes may be closed to further applications before the end of March 2013. Please contact the Scheme Manager, using the contact details specified, to clarify the availability of grants and further details about the individual schemes.

² Priority schemes, both whole house and individual measures, are aimed at low-income households. Each of the priority schemes has its own set of vulnerability criteria/income thresholds to identify qualifying households. In general, NISEP schemes are targeted at households who do not qualify for assistance from the Warm Homes Scheme or Warm Home Plus.
