<b>Home Comfort £1,800 Cash Back</b>	<b>Heating and insulation measures (firmus energy network area only):</b> <ul style="list-style-type: none"> <li>Cash back of £1,800 towards a natural gas heating system</li> <li>Up to £800 for insulation measures</li> </ul>	Low-income households within the firmus energy gas network area with no central heating, Economy 7, solid fuel or old LPG heating systems. Must be homeowner or private	<b>firmus energy</b>  Apply to:  Paula Simpson

<sup>1</sup> Schemes may not start immediately as it can take a few weeks to set up and as funding for each scheme is limited, schemes will only run whilst funds are still available. Therefore some schemes may be closed to further applications before the end of March 2016. Please contact the Scheme Manager, using the contact details specified, to clarify the availability of grants and further details about the individual schemes.

<sup>2</sup> Priority schemes, both whole house and individual measures, are aimed at low-income households. Each of the priority schemes has its own set of vulnerability criteria/income thresholds to identify qualifying households. In general, NISEP schemes are targeted at households who do not qualify for assistance from government schemes such as Affordable Warmth.
