Dear Tanya,

Modification to Licence

Thank you for your letter of 16 March 2016 (ref. CNO/W/TH/034) regarding the Utility Regulator's consultation on proposed Licence modifications. I can confirm that NI Water is content with the intended changes.

We would welcome the opportunity to engage with you further on the two modifications (proposed in our letter of 26 October 2015) which you have not included in your consultation, namely: the scope and frequency of the Procurement Plan and the requirement for an Annual Land Disposal Return.

Yours sincerely,
