

EMAIL RESPONSE TO THE CONSULTATION ON “ELECTRICITY CUSTOMERS WITH MULTIPLE PREMISES IN THE NON-DOMESTIC MARKET”

RESPONDENT: NICS CENTRAL ESTATE

RECEIVED: 21/12/2012

---

Robert,

I write with reference to the current UR consultation paper on customers with multiple premises in the non domestic market.

As the unit with responsibility for procuring electricity for the NICS central estate, and many buildings within the wider public sector estate, we are in agreement with the proposals as laid out.

Trusting this meets with your requirements.

Kind Regards,
