The Northern Ireland Authority for Utility Regulation

## DECISION UNDER ARTICLE 14(8) OF THE ELECTRICITY (NORTHERN IRELAND) ORDER 1992

### MODIFICATION OF POWER NI ELECTRICITY SUPPLY LICENCE

In pursuance of its powers under Article 14(8) of the Electricity (Northern Ireland) Order 1992 (as amended) (the “**Order**”), the Northern Ireland Authority for Utility Regulation (the “**Authority**”) hereby gives its decision as follows:

- 1) Annex 1 of the Power NI licence will be removed. This Annex refers to the ‘Non Fossil Fuel Obligation’ (“NFFO”) and it has been removed from the licence as the NFFO contracts have now expired. This Annex is, therefore, no longer relevant to the licensee. The Authority has, therefore, marked the Annex as ‘not used’ in the licence.
- 2) In addition, condition 54 of the Power NI licence refers to Annex 1 and it has, therefore, been marked as ‘not used’.
- 3) The effect of this decision is to mark as unused those provisions noted above as they are no longer necessary.
- 4) The modifications to the Power NI electricity supply licence were set out in Appendix 1 to the Authority’s decision paper entitled “Changes to Gas and Electricity Licences with regards to Appeals to the CMA” published 4<sup>th</sup> August 2015.
- 5) There were no representations made with respect to the proposed modifications in the 28 days from the date the notice was published.
- 6) This decision will be effective from 27<sup>th</sup> of October, 56 days after the publication of this decision.

Dated this 1 September 2015
