**TRANSITION Condition A: Transition**

**NEW CONDITION**

**General Requirement**

1. The Licensee shall take all reasonable steps, and do all such reasonable things, as are (in each case) within its power and necessary or expedient in order to give full and timely effect to the revised SEM arrangements, so that the Licensee is able to comply with them from the time at which they are effective (or intended to be effective).

**Requirement to Co-operate**

2. Without prejudice to paragraphs 1 and 3, the Licensee shall cooperate with authorised electricity operators and Republic of Ireland electricity operators (and with the Department, the Authority and such other persons as the Authority may direct) and shall take all reasonable steps, and do all such reasonable things, as are (in each case) within its power and necessary or expedient in order to enable:

   (a) authorised electricity operators to comply with their statutory or licence obligations to give full and timely effect to the revised SEM arrangements, so that such authorised electricity operators are able to comply with them from the time at which they are effective (or intended to be effective);

   (b) authorised electricity operators to comply with any directions by the Authority under a provision of their licences equivalent to paragraph 4; and

   (c) Republic of Ireland electricity operators to comply with their statutory or licence obligations to prepare for the coming into effect of the revised SEM arrangements,

   and in the event of any dispute between the Licensee and such other person as to whether a particular step, or thing, is reasonable, the Licensee or such other person may refer the matter to the Authority for determination (which determination shall be final for the purposes of this paragraph).

**Requirements to Comply with Directions**

3. Without prejudice to paragraphs 1 and 2, the Licensee shall take all reasonable steps, and do all such reasonable things, as are (in each case) within its power and necessary or expedient in order to comply with any direction made from time to time by the Authority in accordance with paragraph 4 (and shall by so doing be taken to have complied with such direction).
4. The Authority may issue directions to the Licensee setting out the steps (including without limitation those referred to in paragraph 5) to be taken (or procured) by the Licensee which are, in the Authority’s reasonable opinion, appropriate in order to give full and timely effect to the revised SEM arrangements, so that the Licensee is able to comply with them from the time at which they are effective (or intended to be effective).

5. The directions made by the Authority under paragraph 4 (with which the Licensee is, in accordance with paragraph 3, required to take all reasonable steps, and do all such reasonable things, as are (in each case) within its power and necessary or expedient in order to comply) may include requirements regarding the following steps:

   (a) to secure or facilitate the amendment or establishment of any of the core industry documents; and

   (b) to effect the novation of (or other transfer of rights and obligations under) any of the core industry documents from the Licensee or an authorised electricity operator to the Licensee or an authorised electricity operator.

6. The Authority may, at any time, by a further direction in accordance with paragraph 4 (in order to give (or continue to give) full and timely effect to the revised SEM arrangements amend or cancel any direction (or part thereof) previously made under paragraph 4.

7. The Authority may not make a direction under paragraph 4 until it has undertaken such period of prior consultation with the Licensee (and such other persons as the Authority deems appropriate) as is reasonable in the circumstances. No direction made under paragraph 4 shall be effective until a copy is served on the Licensee.

Requirement not to Frustrate

8. Without prejudice to any public or administrative law right, or statutory right, that the Licensee may have to bring any claim against any public body or person, the Licensee shall not take any step, or exercise any right, which is intended to hinder or frustrate the giving of full and timely effect to the revised SEM arrangements.

Potential Conflict

9. If the Licensee is aware of any conflict between its compliance with the provisions of this Condition or any direction under paragraph 4 and its compliance with any other Condition of the Licence, the Licensee shall promptly inform the Authority of such conflict.
10. Provided the Licensee complies with paragraph 9, the other Conditions of the Licence shall prevail over this Condition in the event of conflict. If there is any conflict between a direction made under paragraph 4 and another requirement of the Licence, the provisions of the direction shall prevail.

Information

11. The Licensee shall provide to the Authority, in such manner and at such times as the Authority may reasonably require, such information and shall procure and furnish to it such reports as the Authority may reasonably require or deem necessary or appropriate to enable the Authority to monitor the Licensee’s compliance with the requirements of this Condition, including (without limitation):

(a) information as to the Licensee’s readiness concerning the revised SEM arrangements; and

(b) status reports concerning those matters referred to in sub-paragraph (d) of the definition of the revised SEM arrangements, and drafts of any legal documents by which such matters are to be achieved.

12. If the Licensee is aware (or should reasonably be aware) of any matter or circumstance which it considers will (or which the Licensee should reasonably consider likely to) hinder or frustrate the giving of full and timely effect to the revised SEM arrangements, the Licensee shall promptly inform the Authority of such matter or circumstance.

Further requirements

13. Without prejudice to the generality of the foregoing provisions, the Licensee shall:

(a) take all reasonable steps, and do all such reasonable things, as are (in each case) within its power and necessary or expedient in order to secure the co-ordinated and effective commencement and implementation of, and operations under the Single Electricity Market Trading and Settlement Code in light of its modification or amendment (or intended modification or amendment) under or by virtue of the revised SEM arrangements (including the development, testing, trialling and start-up of the systems, processes and procedures employed in such implementation and employed by authorised electricity operators and others in connection with such operations); and

(b) carry out a review of the regulatory documents in order to identify any changes which may in the Licensee’s opinion be necessary or expedient in light of the revised SEM arrangements (the “identified changes”) and provide a report (by such date as the Authority
may direct) on the outcome of that review and on the action which the Licensee proposes to give effect to the identified changes.

Coming into Effect and Cessation of Effect

14. The provisions of this Condition (other than those of this paragraph and of paragraphs 15 and 16 which shall come into immediate effect) shall come into effect on such day, and subject to such transitional arrangements, as the Authority may by direction appoint. Different days may be so appointed for different provisions and for different purposes.

15. This Condition shall cease to have effect on 30 June, 2018, without prejudice to the continuing enforceability of any right or obligation (including any requirement to comply with a direction of the Authority issued prior to that date) which may have accrued or otherwise fallen due for performance prior to that date.

Definitions

16. In this Condition, unless the context otherwise requires:

“core industry documents” means those documents relating to the revised SEM arrangements which may from time to time be designated, by direction of the Authority, as such for the purposes of this Condition;

“regulatory documents” means those codes, agreements and other documents which the Licensee is required to prepare, be party to or have in effect (or with which the Licensee is required to comply) under or by virtue of this Licence or the Order, including without prejudice to the generality, the Market Operator Agreement; and

“revised SEM arrangements” means:
(a) any modifications made (or which the Authority has formally indicated are likely to be made) to the Licence, or to the licences of any authorised electricity operator, for the purpose (in each case) of implementing the high level design set out in the document entitled, “Integrated Single Electricity Market (I-SEM): SEM Committee Decision on High Level Design”, with reference SEM-14-085a and published on 17 September...
(b) the conditions of the Transmission System Operator Licence and the Licence;

(c) the terms imposed in any exemption granted pursuant to Article 9 of the Order that reflect a modification referred to in sub-paragraph (a); and

(d) the matters that the Licensee knows (or should reasonably know) are envisaged by the modifications and conditions referred to in sub-paragraphs (a) and (b) (including, without limitation, the establishment, amendment or termination of, or the transfer of rights and obligations under, core industry documents);

including, without prejudice to the generality, any of the provisions or matters described above by which the Licensee is bound (or intended to be bound).
Condition 1. Interpretation and Construction

Construction

1. Unless the contrary intention appears, in the conditions of the Licence:
   (a) words and expressions, and references to legislation, shall be construed as if they were in an enactment and the Interpretation Act (Northern Ireland) 1954 applied to them; and
   (b) words and expressions defined in the Order, the Energy Order or the SEM Order shall have the same meaning.

2. Unless otherwise specified, any reference in the conditions of the Licence to:
   (a) a numbered Condition or Schedule is a reference to the condition of, or the schedule to, the Licence that bears that number;
   (b) a numbered paragraph is a reference to the paragraph of the Condition in which such reference is made that bears that number;
   (c) “this Condition” is a reference to all of the paragraphs of the Condition in which the reference occurs; and
   (d) any agreement, licence, code or other instrument shall be a reference to such agreement, licence, code or other instrument as varied, supplemented or replaced from time to time.

3. The heading or title of any Condition or paragraph thereof shall not affect its construction.

4. Where any obligation of the Licensee is expressed to require performance within a specified time limit that obligation shall continue to be binding and enforceable after that time limit if the Licensee fails to perform that obligation within that time limit (but without prejudice to all rights and remedies available against the Licensee by reason of the Licensee’s failure to perform within the time limit).

5. Unless otherwise specified, when used in this or any other Part, the words “other”, “including” and “in particular” shall not limit the generality of any preceding words or be construed as being limited to the same class as the preceding words where a wider construction is possible.

Service of Documents

6. The provisions of section 24 of the Interpretation Act (Northern Ireland) 1954 shall be deemed to apply for the purposes of the delivery or service of any document, direction or notice to be delivered or served pursuant to the Licence, whether by the Authority or by the Licensee.
7. Where any Condition of the Licence requires the Licensee to act “in conjunction with the Republic of Ireland Market Operator Licensee” in the fulfilment of an obligation, the Licensee shall:

(a) to the extent the Licensee is reasonably capable of fulfilling that obligation without the assistance of the Republic of Ireland Market Operator Licensee, be obliged to fulfil that obligation and shall use all reasonable endeavours to work together with the Republic of Ireland Market Operator Licensee in so doing;

(b) to the extent the Licensee is not reasonably capable of fulfilling that obligation without the assistance of the Republic of Ireland Market Operator Licensee:

(i) ensure that the Market Operator Agreement requires the Republic of Ireland Market Operator Licensee to provide the assistance in question, and, where it does not, seek to amend the Market Operator Agreement so that it does;

(ii) exercise all rights available to the Licensee (including under the Market Operator Agreement) in order to obtain the assistance in question; and

(iii) on obtaining the assistance in question, be obliged to fulfil that obligation and shall use all reasonable endeavours to work together with the Republic of Ireland Market Operator Licensee in so doing; and

(c) to the extent the Republic of Ireland Market Operator Licensee is obliged (by the laws or licence obligations applicable to it) to act in conjunction with the Licensee in the fulfilment of an equivalent obligation, be obliged to provide such assistance as the Republic of Ireland Market Operator Licensee reasonably requests in order to enable it to fulfil that obligation.

References to NEMO

8. The provisions of this Licence which relate to the NEMO Activity and / or the NEMO Business shall be understood as relating thereto (a) only in respect of the period during which Condition 15A is in effect in whole or in part (without prejudice to the continuing enforceability of any right or obligation which may have accrued or otherwise fallen due for performance prior to such Condition ceasing to have effect) and (b) subject to any transitional provision which the Authority may by direction make in light of the coming into effect of that Condition.

and a person shall be considered to be connected with another person if he is party to any arrangement regarding the exercise of any such rights as are described in sub-paragraph (b) above.
Condition 2. Preparation of Accounts

Financial Years

1. In respect of the Market Operator Activity, the first financial year of the Licensee shall run from SEM Go-Live to 30 September 2008, and thereafter each financial year of the Licensee shall run from 1 October to the following 30 September. In respect of the NEMO Activity, the first financial year of the Licensee shall run from the date on which the Authority directs that the provisions of Condition 15A shall take effect (under paragraph 10 of that Condition) to 30 September 2018 and thereafter each financial year of the Licensee shall run from 1 October to the following 30 September.

Accounting and Reporting

2. Paragraphs 2 to 6 (inclusive) of this Condition apply for the purpose of ensuring that the Licensee (and any affiliate or related undertaking of the Licensee) maintains accounting and reporting arrangements which enable separate accounts to be prepared for i) the Separate Business and ii) the NEMO Activity and showing the financial affairs of i) the Separate Business and ii) the NEMO Activity.

3. The Licensee shall, in respect of the Separate Business and separately in respect of the NEMO Activity:

   (a) keep or cause to be kept for the period referred to in Article 230(5)(b) of the Companies (Northern Ireland) Order 1986 and in the manner referred to in that Article, such accounting records in respect of i) the Separate Business and ii) the NEMO Activity as would by Article 229 of the Companies (Northern Ireland) Order 1986 be required to be kept in respect of such business and activity if it were carried on by a separate company, so that the revenues, costs, assets, liabilities, reserves and provisions of, or reasonably attributable to, the Separate Business and the NEMO Activity are separately identifiable in the books of the Licensee (and any affiliate or related undertaking of the Licensee) from those of any other business;

   (b) prepare on a consistent basis from such accounting records in respect of the first and each subsequent financial year, accounting statements comprising a profit and loss account, a balance sheet and a cash flow statement, together with notes thereto, and showing separately in respect of i) the Separate Business and ii) the NEMO Activity and in appropriate detail the amounts of any revenue, cost, asset, liability, reserve or provision which has been either:

      (i) charged from or to any other business together with a description of the basis of
that charge; or

(ii) determined by apportionment or allocation between the Separate Business, the NEMO Activity and any other business together with a description of the basis of the apportionment or allocation;

(c) procure, in respect of the accounting statements prepared in accordance with this Condition in respect of a financial year, a report by the Auditors and addressed to the Authority stating whether in their opinion those statements have been properly prepared in accordance with this Condition and give a true and fair view of the revenues, costs, assets, liabilities, reserves and provisions of, or reasonably attributable to, i) the Separate Business and ii) the NEMO Activity;

(d) take all appropriate steps within its power to procure a report by the Auditors and addressed to the Authority verifying whether the obligation to avoid discrimination and cross-subsidies specified in Article 19 of the Directive has been respected; and

(e) deliver to the Authority a copy of the Auditors’ reports referred to in sub-paragraphs (c) and (d) and the accounting statements referred to in sub-paragraph (b) as soon as reasonably practicable, and in any event not later than six months after the end of the financial year to which they relate.

Accounting Policy and Practice

4. The Licensee shall not, in relation to the accounting statements in respect of a financial year, change the bases of charge, apportionment or allocation referred to in sub-paragraph 3(b) from those applied in respect of the previous financial year, unless the Authority shall previously have issued directions for the purposes of this Condition directing the Licensee to change such bases in a manner set out in the directions or the Authority gives its prior written approval to the change in such bases. The Licensee shall comply with any directions issued for the purposes of this Condition.

5. Where, in relation to the accounting statements in respect of a financial year, the Licensee has changed the bases of charge, apportionment or allocation referred to in sub-paragraph 3(b) from those adopted for the immediately preceding financial year, the Licensee shall, if so directed in directions issued by the Authority for the purposes of this Condition, in addition to preparing accounting statements on those bases which it has adopted, prepare such accounting statements on the bases which applied in respect of the immediately preceding financial year.
6. Accounting statements in respect of a financial year prepared under sub-paragraph 3(b) shall, so far as reasonably practicable and unless otherwise approved by the Authority having regard to the purposes of this Condition:

(a) have the same content and format (in relation to the Separate Business and separately the NEMO Activity) as the annual accounts of the Licensee (and any affiliate or related undertaking of the Licensee) prepared under Article 234 and, where appropriate, Article 235 of the Companies (Northern Ireland) Order 1986 and conform to the best commercial accounting practices including International Accounting Standards and International Financial Reporting Standards issued by the International Accounting Standards Board and adopted for use in the European Union;

(b) state the accounting policies adopted; and

(c) (with the exception of the part of such statements which shows separately the amounts charged, apportioned or allocated and describes the bases of charge or apportionment or allocation respectively), be published with the annual accounts of the Licensee.

7. Without prejudice to paragraph 3, the Licensee shall, in conjunction with the Republic of Ireland Market Operator Licensee, keep or cause to be kept accounts for the Single Market Operation Business and separately for the NEMO Business.

8. Where requested to do so, from time to time, by the Authority, the Licensee shall deliver such accounts to the Authority in the form and at the times specified by the Authority.

9. Such accounts shall be prepared in accordance with such regulatory accounting guidelines as may be issued by the Authority from time to time and in accordance with any and all directions by the Authority as are reasonable and appropriate for the purposes of this Condition. Such regulatory accounting guidelines or directions may, amongst other things:

(a) specify the form of the accounting statements/records, including but not limited to, profit and loss accounts, balance sheets, recognised gains and losses statements, cash flow statements and statements of the amounts of any revenues, costs, assets, liabilities, reserves or provisions which have been either charged from or to any other business or determined by allocation or apportionment between the Single Market Operation Business, the NEMO Business and any other business or businesses;

(b) specify the nature and content of the accounting statements/records, including
information on specified types of revenue, cost, asset or liability and information on the revenues, costs, assets and liabilities attributable to specified activities; and

(c) specify the accounting principles (including the basis for the allocation of costs) and the bases of valuation to be used in preparing accounting statements/records.

10. The licensee shall, where requested to do so by the Department, provide to the Department a copy of its accounting records for the period specified in the request.

Interpretation and Construction

11. References in this Condition to costs or liabilities of, or reasonably attributable to, the Separate Business and/or the NEMO Activity shall be construed as excluding taxation, capital liabilities which do not relate principally to the Separate Business and/or the NEMO Activity, and interest thereon, and references to any accounting statement shall be construed accordingly.
Condition 3. Availability of Resources and Undertaking of Ultimate Controller

General Duty

1. The Licensee shall at all times act in a manner calculated to secure that it has sufficient resources (including management resources, financial resources and financial facilities) to enable it to:

   (a) carry on the Market Operation Activity and the NEMO Activity; and

   (b) comply with its obligations under the Order, the Energy Order, the SEM Order, the CACM Regulation and the Licence.

Directors’ Certificate

2. The Licensee shall submit a certificate addressed to the Authority, approved by a resolution of the board of the Licensee and signed by a director of the Licensee pursuant to that resolution. Such certificate shall be submitted on SEM Go-Live and thereafter on 30 September of each subsequent year. Each certificate shall be in one of the following forms:

   (a) “After making enquiries, the directors of the Licensee have a reasonable expectation that the Licensee will have available to it, after taking into account in particular (but without limitation) any dividend or other distribution which might reasonably be expected to be declared or paid, sufficient financial resources and financial facilities to enable the Licensee to carry on the Market Operation Activity and the NEMO Activity for a period of 12 months from the date of this certificate.”

   (b) “After making enquiries, the directors of the Licensee have a reasonable expectation, subject to the terms of this certificate, that the Licensee will have available to it, after taking into account in particular (but without limitation) any dividend or other distribution which might reasonably be expected to be declared or paid, sufficient financial resources and financial facilities to enable the Licensee to carry on the Market Operation Activity and the NEMO Activity for a period of 12 months from the date of this certificate. However, they would like to draw attention to the following factors which may cast doubt on the ability of the Licensee to carry on the Market Operation Activity and the NEMO Activity.”

   (c) “In the opinion of the directors of the Licensee, the Licensee will not have available to it sufficient financial resources and financial facilities to enable the Licensee to carry on the Market Operation Activity and the NEMO Activity for a period of 12 months from the date of this certificate.”
3. The Licensee shall submit to the Authority, together with the certificate referred to in paragraph 2, a statement of the principal factors which the directors of the Licensee have taken into account in giving that certificate.

4. The Licensee shall inform the Authority in writing immediately if the directors of the Licensee become aware of any circumstances which cause them no longer to have the expectation expressed in the certificate most recently submitted to the Authority in accordance with paragraph 2.

Auditors’ Report

5. The Licensee shall use its best endeavours to obtain and submit to the Authority with the certificate referred to in paragraph 2 a report prepared by its Auditors and addressed to the Authority stating whether or not the Auditors are aware of any inconsistencies between:

(a) that certificate and the statement submitted with it; and

(b) any information which they obtained during their audit work.

Undertaking from Ultimate Controller

6. The Licensee shall procure, from each person that the Licensee knows (or reasonably should know) is at any time an ultimate controller, a legally enforceable undertaking in favour of the Licensee:

(a) in a form approved by the Authority;

(b) that will remain in force for as long as the Licensee remains the holder of the Licence and the person giving the undertaking remains an ultimate controller; and

(c) to the effect that the ultimate controller will refrain from any action, and will procure that every subsidiary of the ultimate controller (other than the Licensee and its subsidiaries) will refrain from any action, which would be likely to cause the Licensee to breach any of its obligations under the Order, the Energy Order, the SEM Order, the CACM Regulation or the Licence.

7. The Licensee shall, in respect of each ultimate controller, comply with the Licensee’s obligation under paragraph 6 within seven days after the later of the grant of the Licence, and the person in question becoming an ultimate controller.

8. The Licensee shall:
(a) deliver to the Authority evidence that the Licensee has complied with the obligation under paragraph 6 (including a copy of the undertaking to be procured under that paragraph);

(b) inform the Authority immediately in writing if the directors of the Licensee become aware that any such undertaking has ceased to be legally enforceable or that its terms have been breached; and

(c) comply with any direction from the Authority to enforce any such undertaking.

9. The Licensee shall not, save with the consent in writing of the Authority, enter (directly or indirectly) into any contract or arrangement with an ultimate controller or any of the subsidiaries of that ultimate controller (other than the subsidiaries of the Licensee) at a time when:

(a) an undertaking complying with paragraph 6 is not in place in relation to that ultimate controller;

(b) there is an unremedied breach of such undertaking; or

(c) the Licensee is in breach of the terms of any direction issued by the Authority under paragraph 8 in respect of such undertaking.

10. Condition 3 paragraph 6 to paragraph 9 (inclusive) shall be suspended and have no effect for as long as the state owned constitutional status of EirGrid plc remains unchanged and EirGrid plc are the legal and beneficial owners of the entire issued share capital of the Licensee.

11. For as long as the state owned constitutional status of EirGrid plc remains unchanged and EirGrid plc are the legal and beneficial owners of the entire issued share capital of the Licensee the Licensee shall procure, from EirGrid plc a legally enforceable undertaking in favour of the Licensee:

(a) in a form approved by the Authority;

(b) that will remain in force for as long as the Licensee remains the holder of the Licence and the state owned constitutional status of EirGrid plc remains unchanged and EirGrid plc are the legal and beneficial owners of the entire issued share capital of the Licensee; and

(c) to the effect that EirGrid plc will refrain from any action, and will procure that every subsidiary of EirGrid plc (other than the Licensee and its subsidiaries) will refrain from
any action, which would be likely to cause the Licensee to breach any of its obligations under the Order, the Energy Order, the SEM Order, the CACM Regulation or the Licence.

12. The Licensee shall:

(a) deliver to the Authority evidence that the Licensee has complied with the obligation under paragraph 11 (including a copy of the undertaking to be procured under that paragraph);

(b) inform the Authority immediately in writing if the directors of the Licensee become aware that any such undertaking has ceased to be legally enforceable or that its terms have been breached; and

(c) comply with any direction from the Authority to enforce any such undertaking.

13. The Licensee shall not, save with the consent in writing of the Authority, enter (directly or indirectly) into any contract or arrangement with EirGrid plc or any of the subsidiaries of EirGrid plc (other than the subsidiaries of the Licensee) at a time when:

(a) an undertaking complying with paragraph 11 is not in place;

(b) there is an unremedied breach of such undertaking; or

(c) the Licensee is in breach of the terms of any direction issued by the Authority under paragraph 12 in respect of such undertaking.
Condition 5. Prohibition of Cross-Subsidies

1. The Licensee shall procure that neither the Market Operation Activity nor the NEMO Activity gives no cross-subsidy to, and nor receives no cross-subsidy from, any other business of the Licensee or of any affiliate or related undertaking of the Licensee nor shall there be any subsidy or cross-subsidy given or received between the Market Operation Activity and the NEMO Activity.

2. Nothing:

   (a) which the Licensee is obliged to do or not to do pursuant to the Licence or any other licence held by the Licensee under the Order; or

   (b) which an affiliate or related undertaking is obliged to do or not to do pursuant to a licence held by it under the Order,

shall be regarded as a cross-subsidy for the purposes of this Condition.
Condition 6. Provision of Information to the Authority

General Duty

1. Subject to paragraphs 4 and 5, the Licensee shall furnish to the Authority, in such manner and at such times as the Authority may require, such information as the Authority may consider necessary in the light of the Conditions or Schedules or as it may require for the purpose of performing any functions assigned or transferred to it by or under the Order, the Energy Order, the SEM Order, the CACM Regulation or the Directive Regulations.

2. Without prejudice to the generality of paragraph 1, the Authority may call for the furnishing of accounting information which is more extensive than or differs from that required to be prepared and supplied to the Authority under Condition 2.

3. The power of the Authority to require information under paragraph 1 is in addition to the power of the Authority to call for information under or pursuant to any other Condition or Schedule.

Exceptions

4. The Licensee may not be required by the Authority to furnish it under this Condition with information for the purpose of the exercise of its functions under Article 7 of the Energy Order.

5. The Licensee may not be required by the Authority to furnish it under this Condition with any information in relation to an enforcement matter which the Licensee could not be compelled to produce or give in evidence in civil proceedings in the High Court.

Undertaking from Ultimate Controller

6. The Licensee shall procure, from each person that the Licensee knows (or reasonably should know) is at any time an ultimate controller, a legally enforceable undertaking in favour of the Licensee:

(a) in a form approved by the Authority;

(b) that will remain in force for as long as the Licensee remains the holder of the Licence and the person giving the undertaking remains an ultimate controller; and

(c) to the effect that the ultimate controller will give to the Licensee, and will procure that every subsidiary of, or person controlled by, the ultimate controller (other than the Licensee and its subsidiaries) will give to the Licensee, all such information as may be necessary to enable the Licensee to comply fully with paragraph 1 of this Condition.
7. The Licensee shall, in respect of each ultimate controller, comply with the Licensee’s obligation under paragraph 6 within seven days after the later of the grant of the Licence, and the person in question becoming an ultimate controller.

8. The Licensee shall:

(a) deliver to the Authority evidence that the Licensee has complied with the obligation under paragraph 6 (including a copy of the undertaking to be procured under that paragraph);

(b) inform the Authority immediately in writing if the directors of the Licensee become aware that the undertaking has ceased to be legally enforceable or that its terms have been breached; and

(c) comply with any direction from the Authority to enforce any such undertaking.

9. The Licensee shall not, save with the consent in writing of the Authority, enter (directly or indirectly) into any contract or arrangement with an ultimate controller or any of the subsidiaries of that ultimate controller (other than the subsidiaries of the Licensee) at a time when:

(a) an undertaking complying with paragraph 6 is not in place in relation to that ultimate controller;

(b) there is an unremedied breach of such undertaking; or

(c) the Licensee is in breach of the terms of any direction issued by the Authority under paragraph 8 in respect of such undertaking.

10. Condition 6 paragraph 6 to paragraph 9 (inclusive) shall be suspended and have no effect for as long as the state owned constitutional status of EirGrid plc remains unchanged and EirGrid plc are the legal and beneficial owners of the entire issued share capital of the Licensee.

11. For as long as the state owned constitutional status of EirGrid plc remains unchanged and EirGrid plc are the legal and beneficial owners of the entire issued share capital of the Licensee the Licensee shall procure, from EirGrid plc a legally enforceable undertaking in favour of the Licensee;

(a) in a form approved by the Authority;

(b) that will remain in force for as long as the Licensee remains the holder of the Licence and the state owned constitutional status of EirGrid plc remains unchanged and EirGrid plc are the legal and beneficial owners of the entire issued share capital of the Licensee; and
(c) to the effect that EirGrid plc will refrain from any action, and will procure that every subsidiary of EirGrid plc (other than the Licensee and its subsidiaries) will refrain from any action, which would be likely to cause the Licensee to breach any of its obligations under the Order, the Energy Order, the SEM Order, the CACM Regulation or the Licence.

12. The Licensee shall:

(a) deliver to the Authority evidence that the Licensee has complied with the obligation under paragraph 11 (including a copy of the undertaking to be procured under that paragraph);

(b) inform the Authority immediately in writing if the directors of the Licensee become aware that any such undertaking has ceased to be legally enforceable or that its terms have been breached; and

(c) comply with any direction from the Authority to enforce any such undertaking.

13. The Licensee shall not, save with the consent in writing of the Authority, enter (directly or indirectly) into any contract or arrangement with EirGrid plc or any of the subsidiaries of EirGrid plc (other than the subsidiaries of the Licensee) at a time when:

(a) an undertaking complying with paragraph 11 is not in place;

(b) there is an unremedied breach of such undertaking; or

(c) the Licensee is in breach of the terms of any direction issued by the Authority under paragraph 12 in respect of such undertaking.

14. In this Condition, unless the context otherwise requires:

"information" shall include any documents, accounts, estimates, returns or reports (whether or not prepared specifically at the request of the Authority) of any description specified by the Authority.

"enforcement matter" means any matter in respect of which any functions of the Authority under Article 42 of the Energy Order are, or may be, exercisable.
Condition 9.  Restriction on Use of Certain Information

General Restriction

1. Where the Licensee or any affiliate or related undertaking of the Licensee is in possession of any protected information, the Licensee shall (and shall procure that such affiliate or related undertaking shall) procure:

   (a) that neither the Licensee nor any other person shall use that protected information for the purpose of obtaining any unfair commercial advantage in relation to the Market Operation Activity, the NEMO Activity or any other business;

   (b) that the protected information is not disclosed to any other person except with the prior consent in writing of each person to whose affairs that information relates; and

   (c) that the protected information in the possession of the Separate Business or in relation to the NEMO Activity is not disclosed to any other business of the Licensee except with the prior consent in writing of each person to whose affairs that information relates.

2. The Licensee’s obligation under paragraph 1 to procure any action on the part of an affiliate or related undertaking shall be taken, in relation to any affiliate or related undertaking which has control of the Licensee, as an obligation to use all reasonable endeavours to procure the taking of that action by obtaining (and enforcing) an appropriate contractual undertaking from that affiliate or related undertaking in respect of the protected information.

3. The Licensee shall implement such measures and procedures and take all such other steps as may be specified in directions issued by the Authority from time to time for the purposes of this Condition and reasonably considered by the Authority to be necessary for the purpose of securing compliance by the Licensee with its obligations under paragraph 1.

Exceptions

4. Sub-paragraphs 1(b) and 1(c) shall not apply to any disclosure of information which is:

   (a) authorised by Article 63(3) or (4) of the Energy Order;

   (b) made in compliance with the duties of the Licensee, or of any affiliate or related undertaking of the Licensee, in accordance with any:

       (i) licence granted under the Order (including the Licence);
(ii) applicable law (including the Order, the Energy Order, the SEM Order, the CACM Regulation and the Directive Regulations);

(iii) requirement of a competent authority;

(iv) judicial or arbitral process of a competent jurisdiction; or

(v) requirement of a relevant stock exchange, or of the Panel on Takeovers and Mergers;

(c) permitted by and made in compliance with any document referred to in the Licence (including the Market Operator Agreement, the System Operator Agreement and the Single Electricity Market Trading and Settlement Code) with which the Licensee or any affiliate or related undertaking of the Licensee is required to comply;

(d) necessary in order to enable the Licensee to enter into, or give effect to, arrangements for the purpose of carrying on the Market Operation Activity and/or the NEMO Activity; or

(e) necessary in order to enable the Licensee and the Republic of Ireland Market Operator Licensee to carry on the Single Market Operation Business and the NEMO Business.

Restrictions Regarding Personnel and Advisers

5. The Licensee shall ensure that protected information received by the Licensee (or any affiliate or related undertaking of the Licensee) is:

(a) (except where one of the exceptions under paragraph 4 applies) not divulged by any business person to any person unless that person is an authorised recipient; and

(b) not used by any business person otherwise than for the purpose of pursuing an authorised purpose or advising in relation to the pursuit of an authorised purpose.

Evidence

6. The Licensee shall:

(a) procure and furnish to the Authority, in such manner and at such times as the Authority may require, such information and reports as the Authority may consider necessary concerning the performance by the Licensee of its obligations under paragraphs 1 and 5 and the effectiveness of the measures, procedures and steps specified in the directions referred to in paragraph 3;
(b) procure that access to any premises of the Licensee shall be given at any time and from
time to time to any nominated person(s) for the purpose of investigating whether the
Licensee has performed its obligations under paragraphs 1, 3 and 5, and shall procure that
the Licensee and its employees co-operate in any such investigation to the extent
requested by the nominated person(s); and

(c) procure that nominated person(s) shall be entitled to inspect and/or take copies of such
records and data of the Licensee as they shall consider to be reasonably necessary for the
purpose referred to in sub-paragraph (b) above.

Definitions

7. In this Condition, unless the context otherwise requires:

"authorised adviser" means such professional advisers of the Licensee (or of
any affiliate or related undertaking of the Licensee),
engaged and acting in that capacity, as require access to
any protected information.

"authorised purpose" means the management and operation of the Separate
Business, and / or the NEMO Activity or, where protected
information is disclosed to another business of the
Licensee (or of an affiliate or related undertaking of the
Licensee) in accordance with paragraph 4, the purpose for
which such disclosure was made.

"authorised recipient" means, in relation to any protected information, any
business person who, before the protected information had
been divulged to him by the Licensee (or any other
business person), had been informed of the nature and
effect of this Condition and who requires access to such
protected information for the proper performance of his
duties as a business person in relation to the pursuit of an
authorised purpose.

"business person" means any employee, subcontractor or agent of the
Licensee (or of any affiliate or related undertaking of the
Licensee) or any authorised adviser to such persons.
“control” has the meaning attributed to it by section 416 of the Income and Corporation Taxes Act 1988.

“protected information” means any information which is held or obtained by the Licensee (or any affiliate or related undertaking of the Licensee) pursuant to, or by virtue of, its carrying on the Market Operation Activity and / or the NEMO Activity, but excluding information which is in, or comes into, the public domain other than as a result of any breach by the Licensee of the Licence (or any other legal obligation of the Licensee).
Condition 10. Independence of the Market Operation Activity together with the NEMO Activity

General Duty

1. The Licensee shall:
   (a) unless it has already done so prior to this Condition coming into force, establish; and
   (b) at all times thereafter maintain,

   the full operational independence of the Market Operator Activity together with the NEMO Activity.

Specific Duties

2. For the purpose of facilitating its compliance with paragraph 1, the Licensee shall ensure that:
   (a) the Market Operation Activity and the NEMO Activity are provided with the premises, systems, equipment, facilities, property, personnel, data and management resources that are necessary for its efficient and effective managerial and operational independence from any Associated Business;
   (b) it does not hold or acquire shares in a holding company of the Licensee or in any electricity undertaking engaged in the generation or supply of electricity on the Island of Ireland;
   (c) decisions relating to the operation of the Single Electricity Market Trading and Settlement System are only taken by those persons who are employed by, and are engaged in the operation and management of, the Single Market Operation Business;
   (d) any Associated Business does not use or have access to:
      (i) premises or parts of premises occupied by persons engaged in the management or operation of the Market Operation Activity and the NEMO Activity, except where access is allowed to electricity undertakings (or a class of electricity undertakings not limited to one or more Associated Businesses) generally, in which case Associated Businesses may be allowed access to the same extent, as further detailed in the Compliance Plan;
      (ii) systems for the recording, processing or storage of data to which persons engaged in the management or operation of the Market Operation Activity and the NEMO Activity also have access;
(iii) equipment, facilities or property employed for the management or operation of the Market Operation Activity, and/or the NEMO Activity;

(iv) the services of persons who are (whether or not as their principal occupation) engaged in the management or operation of the Market Operation Activity, and/or the NEMO Activity;

(e) it can and does, in so far as is legally possible:

(i) ensure that any director of the Licensee is not at the same time also a director of a company which carries on an Associated Business engaged in the generation or supply of electricity; and

(ii) prevent any person who has ceased to be engaged in the management or operation of the Market Operation Activity, and/or the NEMO Activity, from being engaged in the activities of any Associated Business that is engaged in the generation or supply of electricity until the expiry of an appropriate time (being a period of at least 3 months) from the date on which he ceased to be engaged by the Market Operation Activity, and/or the NEMO Activity (as appropriate); and

(f) an up-to-date register of all persons engaged in the Market Operation Activity, and/or the NEMO Activity, confirming that the provisions of paragraph (e) have been complied with in respect of each person so engaged, is established.

**Compliance Plan**

3. The Licensee shall, by no later than SEM Go-Live, prepare and submit to the Authority for its approval a compliance plan setting out the practices, procedures, systems and rules of conduct which the Licensee has adopted, or intends to adopt, together with the timescales for adoption, to ensure its compliance with this Condition.

4. The Licensee shall use all reasonable endeavours to comply with its approved compliance plan (the “Compliance Plan”) and shall publish the up to date Compliance Plan on its website.

5. The Authority may:

(a) within 30 days of the Licensee submitting an initial or revised Compliance Plan; and

(b) following any review of the Compliance Plan that the Authority may conduct from time to time,
notify the Licensee that, in its opinion, the Compliance Plan is not, or is no longer, sufficient for the purposes of the Licensee’s compliance with this Condition, and require such revisions to be made to the Compliance Plan as are in the Authority’s opinion necessary or expedient in order for it to be sufficient for the purposes of ensuring the Licensee’s compliance or continued compliance with this Condition.

6. Where the Licensee receives a notification in accordance with paragraph 5, it shall within 30 days revise the Compliance Plan in such manner and to such extent as will reflect the Authority’s requirements.

7. The Licensee shall at least once every year during which this Condition is in force review the Compliance Plan so as to ensure:

(a) its continued compliance with its obligations under this Condition; and

(b) that the information set out in the Compliance Plan continues to be accurate in all material respects.

8. Where the Licensee revises the Compliance Plan, either in accordance with paragraph 6 or following a review conducted by it in accordance with paragraph 7, it shall submit the revised Compliance Plan to the Authority for its approval.

9. The Licensee shall ensure that persons engaged in the management and operation of the Market Operation Activity and/or the NEMO Activity:

(a) are made aware of the practices, procedures, systems and rules of conduct set out in the Compliance Plan;

(b) have the necessary information and facilities to comply with their respective obligations as provided for in the Compliance Plan; and

(c) are aware of the disciplinary procedures that may be activated should they fail to comply with their obligations under the Compliance Plan.

Compliance Manager

10. The Licensee shall, following consultation with the Authority, appoint a senior member of its personnel engaged in the management and operation of the Market Operation Activity and/or the NEMO Activity as a manager (the “Compliance Manager”) for the purpose of facilitating compliance with its obligations under this Condition and with the Compliance Plan.
11. The Licensee shall ensure that the Compliance Manager has access to such staff, premises, systems, information, documentation, equipment, facilities and other resources as he might reasonably expect to require to fulfil the duties and tasks assigned to him.

12. The duties and tasks assigned to the Compliance Manager shall include:

   (a) providing relevant advice and information to the Licensee for the purpose of ensuring its compliance with this Condition and with the Compliance Plan;

   (b) monitoring the effectiveness of and the Licensee’s compliance with the Compliance Plan;

   (c) investigating any complaint or representation received by the Licensee from any person in respect of any matter arising under or by virtue of this Condition or in relation to the Compliance Plan;

   (d) recommending and advising upon the remedial action which any such investigation has demonstrated to be necessary or desirable, including where necessary revising the Compliance Plan to reflect such recommendation and advice; and

   (e) reporting, at such frequency as is determined in writing by the Authority, to the directors of the Licensee on his activities during the period covered by the report, the investigations he has conducted and on progress towards implementation of the Compliance Plan.

13. The Licensee shall, at such frequency as is determined in writing by the Authority, submit a report to the Authority:

   (a) detailing the activities of the Compliance Manager during the period covered by the report;

   (b) providing a progress update on the Licensee’s implementation of the Compliance Plan;

   (c) setting out the details of any investigations conducted by the Compliance Manager, including:

      (i) the number, type and source of the complaint or representation on which such investigations were based;

      (ii) the outcome of such investigations; and

      (iii) any remedial action taken by the Licensee following such investigations.
Definitions

14. In this Condition, unless the context otherwise requires:

   “Associated Business” means any business of the Licensee (or of any affiliate or related undertaking of the Licensee) other than a relevant holding company.

   “Compliance Manager” shall have the meaning attributed to that expression in paragraph 10.

   “Compliance Plan” shall have the meaning attributed to that expression in paragraph 4.

   “relevant holding company” means each holding company of the Licensee which does not itself generate or supply electricity on the Island of Ireland and which has no holding company that itself generates or supplies electricity on the Island of Ireland (regardless of whether any subsidiaries of such companies undertake such generation or supply).
**Condition 11. Prohibited Activities**

**General Prohibitions**

1. Except with the prior written consent of the Authority and in accordance with any conditions of that consent, the Licensee shall not purchase or otherwise acquire electricity for the purpose of sale or other disposition to third parties on the Island of Ireland, save to the extent it does so in compliance with any other licence it holds under the Order. The provision of services in accordance with Condition 15B shall not be considered to be in contravention of the requirements of paragraph 1.

2. In paragraph 1, the reference to purchase or other acquisition of electricity shall include entering into or acquiring the benefit of a contract conferring rights or obligations (including rights or obligations by way of option) in relation to or by reference to the sale, purchase or delivery of electricity at any time or the price at which electricity is sold or purchased at any time.

**Prohibitions Following Divestment**

3. Paragraph 4 shall apply only from the point in time at which the Licensee first ceases, following the date on which the Licence is granted, to be an affiliate of Northern Ireland Electricity plc (a company registered in Northern Ireland under company number NI026041).

4. Where this paragraph applies in accordance with paragraph 3, the Licensee shall at all times ensure that:

   (a) neither the Licensee nor any affiliate or related undertaking of the Licensee undertakes an activity which requires authorisation by virtue of Articles 8(1)(a) or (c) of the Order, or which is licensable under Section 14(1)(a), (b), (c), or (d) of the Republic of Ireland Electricity Act; and

   (b) the Licensee is not controlled by a person who undertakes an activity which requires authorisation by virtue of Articles 8(1)(a) or (c) of the Order, or which is licensable under Section 14(1)(a), (b), (c), or (d) of the Republic of Ireland Electricity Act, or by a person who also controls a person that undertakes any such activity.

5. For the purposes of paragraph 4, “control” shall have the meaning attributed to it in section 416 of the Income and Corporation Taxes Act 1988, and “controlled” shall be construed accordingly.

6. Condition 11 paragraph 3 to paragraph 5 (inclusive) shall be suspended and have no effect for as long as the state owned constitutional status of EirGrid plc remains unchanged and EirGrid plc are the legal and beneficial owners of the entire issued share capital of the Licensee.
Condition 13.  Non-Discrimination

1. In respect of both the Market Operation Activity and the NEMO Activity, the Licensee shall not unduly discriminate as between any persons or class or classes of persons (including itself in undertaking any activity other than the Market Operation Activity and the NEMO Activity (as appropriate)).
Condition 14. Market Operator Agreement

Market Operator Agreement

1. The Licensee shall enter into, comply with and, in conjunction with the Republic of Ireland Market Operator Licensee, at all times maintain in force, an agreement (the “Market Operator Agreement”) which:

(a) insofar as any matter is within the control of the Republic of Ireland Market Operator Licensee and affects the ability of the Licensee to carry on the Market Operation Activity and / or the NEMO Activity, ensures that such matter is carried out in a manner such that the Licensee is capable, on a continuing basis, of carrying on the Market Operation Activity and / or the NEMO Activity (as appropriate);

(b) insofar as any matter is within the control of the Licensee in carrying on the Market Operation Activity and / or the NEMO Activity and affects the ability of the Republic of Ireland Market Operator Licensee to carry on the Republic of Ireland Market Operator Activity and / or the Republic of Ireland NEMO Activity, ensures that such matter is carried out in a manner such that the Republic of Ireland Market Operator Licensee is capable, on a continuing basis, of carrying on the Republic of Ireland Market Operator Activity and / or the Republic of Ireland NEMO Activity (as appropriate); and

(c) is designed to facilitate achievement of the following objectives:

(i) the efficient discharge by the Licensee of the obligations imposed upon it by the Licence and by the Republic of Ireland Market Operator Licensee of the obligations imposed upon it by the Republic of Ireland Market Operator Licence; and

(ii) the development and administration of the Single Market Operation Business SMO & NEMO Business in an efficient and coordinated manner.

2. Without prejudice to any other Condition in this Licence, the Licensee shall perform its obligations under the Market Operator Agreement in a manner that facilitates the carrying out of the Single Market Operation Business SMO & NEMO Business in conjunction with the Republic of Ireland Market Operator Licensee.
Review and Amendment of the Market Operator Agreement

3. The Licensee shall, in conjunction with the Republic of Ireland Market Operator Licensee, periodically review (including at the request of the Authority) the Market Operator Agreement and its implementation.

4. Save as provided for in paragraphs 5 and 6 below, the Licensee shall procure that the Market Operator Agreement is not amended otherwise than by mutual consent of both parties thereto. Where a proposed amendment may have a material impact on the business of any electricity undertaking or on the operation of the Single Electricity Market, the Licensee shall consult with electricity undertakings and give due consideration to any representations received.

5. The Licensee shall ensure that the Market Operator Agreement allows either party to the Market Operator Agreement to (without restriction) refer to the Authority any proposed amendment to the Market Operator Agreement that the other party thereto disputes where the dispute remains outstanding for more than 30 days after either party serves a notice on the other that refers to this paragraph. Where a proposed amendment is referred to the Authority in accordance with the provision of the Market Operator Agreement included in order to meet the requirements of this paragraph, the Licensee shall comply with (and, in conjunction with the Republic of Ireland Market Operator Licensee, amend the Market Operator Agreement to conform to) that amendment to the extent it is approved by the Authority.

6. In addition to the matters specified in paragraph 5, the Market Operator Agreement may provide for there to be referred to the Authority for determination (subject to the Authority accepting such referral) such additional matters arising under the Market Operator Agreement as may be specified in the Market Operator Agreement.

7. The Licensee shall, in conjunction with Republic of Ireland Market Operator Licensee, report annually to the Authority on the operation of the Market Operator Agreement to the extent relevant to the functions, rights and obligations of the Licensee.

Publication of the Market Operator Agreement

8. Where, and to the extent, required to do so by the Authority, the Licensee shall publish the Market Operator Agreement on the web site for the Single Market Operation Business and on the web-site for the NEMO Business.

Definitions

9. In this Condition, unless the context otherwise requires:
"Republic of Ireland Market Operator Activity" has the meaning attributed to the expression "Market Operation Activity" in the Republic of Ireland Market Operator Licence.
Condition 15. Single Electricity Market Trading and Settlement Code

1. The Licensee shall enter into and, in conjunction with the Republic of Ireland Market Operator Licensee, at all times administer and maintain in force, the Single Electricity Market Trading and Settlement Code, being a document which:

(a) sets out the terms of the trading and settlement arrangements described in paragraph 3;

(b) is designed to facilitate achievement of the objectives set out in paragraph 4; and

(c) contains modification procedures which provide that any modifications to the Single Electricity Market Trading and Settlement Code (but not, necessarily, to the Agreed Procedures) must be subject to the prior approval of the Authority, and which enable the Authority to propose modifications to the Single Electricity Market Trading and Settlement Code,

and the Licensee shall be taken to have complied with this paragraph to the extent that it:

(d) adopts, on the date of such designation, as the Single Electricity Market Trading and Settlement Code the document designated as such by the Authority for the purposes of this Condition; and

(e) adopts, on the date of any such direction, such amendments to the Single Electricity Market Trading and Settlement Code (including amendments to the modification procedures described at paragraph (c) above) as the Authority may (following consultation (whether before or after the coming into effect of this paragraph (e)) with such persons as it considers appropriate) direct from time to time in view of the revised SEM arrangements (provided that no such direction(s) may be issued by the Authority after 31 December 2018); and

(f) (on an on-going basis from SEM Go-Live) reviews and proposes such modifications to that document (in accordance with the modification provisions therein) as would be necessary to ensure that that document meets the requirements of this paragraph 1.

2. The Licensee shall comply with the Single Electricity Market Trading and Settlement Code in its capacity as the holder of a licence granted under Article 10(1)(d) of the Order.

3. The trading and settlement arrangements referred to in paragraph 1(a) are arrangements which set out the rules and procedures for the sale and purchase of wholesale electricity across the Island
of Ireland in the Single Electricity Market and (b) sets out the settlement arrangements for the Capacity Market.

4. The objectives referred to in paragraph 1(b) are:

(a) to facilitate the efficient discharge by the Licensee of the obligations imposed on it by the Licence, and to facilitate the efficient discharge by the Republic of Ireland Market Operator Licensee of the obligations imposed on it by the Republic of Ireland Market Operator Licence;

(b) to facilitate the efficient, economic and coordinated operation, administration and development of the Single Electricity Market in a financially secure manner;

(c) to facilitate the participation of electricity undertakings engaged in the generation, supply or sale of electricity in the trading arrangements under the Single Electricity Market;

(d) to promote competition in the Single Electricity Market;

(e) to provide transparency in the operation of the Single Electricity Market;

(f) to ensure no undue discrimination between persons who are parties to the Single Electricity Market Trading and Settlement Code; and

(g) through the development of the Single Electricity Market, to promote the short-term and long-term interests of consumers of electricity with respect to price, quality, reliability, and security of supply of electricity.

5. The Licensee shall, in conjunction with the Republic of Ireland Market Operator Licensee, ensure that persons who are a party to the Single Electricity Market Trading and Settlement Code or who wish to become a party to the Single Electricity Market Trading and Settlement Code have, to the extent that is reasonably practicable, a single point of contact when interfacing with the Single Market Operation Business.

6. The Licensee shall provide to the Authority such information as the Authority may request concerning the Single Electricity Market Trading and Settlement System or any aspect of its operation.

7. The Licensee shall, in conjunction with the Republic of Ireland Market Operator Licensee and with effect from SEM Go-Live, establish and maintain a web-site for the Single Market Operation Business.

9. The provisions of this Condition inserted (or, as the case may be, removed) by virtue of decision of the Authority dated [#] shall come into (or, as the case may be, continue to have) effect on (or, as the case may be, until) such day, and subject to such transitional arrangements, as the Authority may by direction appoint. Different days may be so appointed for different provisions and for different purposes.

10. In this Condition:

   “Agreed Procedures” means the detailed procedures that form part of the Single Electricity Market Trading and Settlement Code, but which are subsidiary to the main provisions of the code, as (subject thereto) such expression is defined in the code.

   “Capacity Market” has the meaning given to that expression in the Transmission System Operator Licence.

   “Capacity Market Code” has the meaning given to that expression in the Transmission System Operator Licence.
Condition 15A: Nominated Electricity Market Operator (NEMO)

1. The purpose of this Condition is to make provision in relation to the duties of the Licensee in its capacity as holder of the Designation.

2. The Licensee shall, at all times during which the Designation is in effect:

   (a) fulfil its obligations as NEMO as provided for in the CACM Regulation;
   (b) maintain compliance with the requirements of Article 6 of the CACM Regulation;
   (c) ensure that it satisfies the conditions attached to the Designation; and
   (d) comply with the provisions of the NEMO Exchange Rules.

3. Within three months of the coming into effect of this Condition the Licensee shall in conjunction with the Republic of Ireland Market Operator Licensee prepare and submit to the Authority for approval a set of rules, to be known and referred to as the NEMO Exchange Rules, setting out the terms on which it will carry out the NEMO Activity. The NEMO Exchange Rules shall, subject to any directions in respect of same issued by the Authority under paragraph 5 of this Condition, be consistent with the requirements of (a) the CACM Regulation and the Electricity Market Regulation with respect to the operation of the Ex-Ante Markets and (b) the Single Electricity Market Trading and Settlement Code (provided that any such directions shall themselves be consistent with the requirements specified at (a) above).

4. Where the Licensee wishes to amend the NEMO Exchange Rules it shall submit the proposed amendments to the Authority for approval prior to their coming into effect. Any such amendment shall be consistent with the provisions of paragraph 3.

5. The Authority may from time to time give directions to the Licensee in respect of:

   (a) the matters it wishes to see specified in the NEMO Exchange Rules; and
   (b) the review and revision by the Licensee from time to time of the NEMO Exchange Rules.

   and the Licensee shall comply with directions given by the Authority under this paragraph.

6. The Licensee shall at all times charge in respect of its NEMO Activity in accordance with its NEMO Statement of Charges and with the requirements of the CACM Regulation. The
Authority shall specify from time to time by direction the form of the NEMO Statement of Charges, which shall include a price list.

7. The Licensee shall obtain the Authority's prior approval to the NEMO Statement of Charges. In the event that the Authority considers there to be sufficient competition for NEMO services in the Single Electricity Market, it may issue a direction removing the foregoing requirement for such period of time as it specifies and in any case, until such time as it issues a further direction to re-apply such requirement.

8. The Licensee shall, in conjunction with the Republic of Ireland Market Operator Licensee establish and maintain a web-site for the NEMO Business. The Licensee shall publish the approved NEMO Exchange Rules and, where required by the Authority, the NEMO Statement of Charges on the web-site for the NEMO Business.

9. The Licensee shall, in conjunction with the Republic of Ireland Market Operator Licensee, ensure that the persons who receive or wish to receive NEMO services from the Licensee have, to the extent reasonably practicable, a single point of contact when interfacing with the NEMO Business.

Coming into, Cessation of Effect

10. The provisions of this Condition (other than those of this paragraph and of paragraphs 11 and 12 which shall come into immediate effect) shall come into effect on such day, and subject to such transitional arrangements as the Authority may by direction appoint. Different days may be so appointed for different provisions and for different purposes.

11. This Condition shall cease to have effect immediately upon the revocation of the Designation by the Authority without prejudice to the continuing enforceability of any right or obligation which may have accrued or otherwise fallen due for performance prior to that date.

**Condition 15B Agent of Last Resort**

1. The Licensee shall in conjunction with the Republic of Ireland Market Operator Licensee provide Agent of Last Resort ("AoLR") services in accordance with the objective set out in paragraph 2 and the scope set out in paragraph 3.

2. The objective referred to in paragraph 1 is to facilitate the participation of eligible generators in the Ex-Ante Markets.

3. The scope of the services referred to in paragraph 1 shall be the putting in place and maintenance of the necessary arrangements to facilitate the trading of energy by eligible generators in the Ex-Ante Markets.

4. In providing AoLR services, the Licensee shall not undertake any energy trading on its own behalf and shall not assume any market risks.

5. The Licensee shall ensure that the necessary arrangements are in force such that all eligible generators can use the AoLR services upon payment of the charges set out in the AoLR statement of charges.

6. The Licensee shall in conjunction with the Republic of Ireland Market Operator Licensee prepare and submit to the Authority for approval the form of the AoLR Contract.

7. The Licensee shall publish and make available on the web-site for the Single Market Operation Business a notice which shall include the form of AoLR Contract (as approved by the Authority) and the AoLR Procedures.

8. The Licensee shall review the scope and operation of AoLR services from time to time and in any event at least once a year. If following such review, the Licensee wishes to propose amendments to the AoLR Contract, it shall consult with such parties as it reasonably believes could be affected by such amendments and thereafter seek the approval of the Authority to such proposed amendments. The amended AoLR Contract (once approved) shall come into effect on the date as determined by the Authority.

9. Following the review of its activities under paragraph 8, the Licensee shall prepare an annual report (in respect of the preceding year) and submit it to the Authority. The report shall be published on the web-site for the Single Market Operation Business.

10. The Licensee shall develop, administer and maintain the AoLR Procedures. Such procedures shall include a modification process that includes consultation by the Licensee.
with AoLR Participants and any parties that propose to become AoLR Participants.

**Condition 16. Market System Development Plan**

1. Where required by the Authority, and within such timeframe as the Authority may reasonably request, the Licensee shall, in conjunction with the Republic of Ireland Market Operator Licensee, prepare and submit to the Authority for approval a plan (the “Market System Development Plan”) for the development of the Single Electricity Market Trading and Settlement System over the following two calendar years.

2. The Licensee shall, in conjunction with the Republic of Ireland Market Operator Licensee, revise the Market System Development Plan at least annually in order that the information set out in the Market System Development Plan continues to be accurate in all material respects and shall submit all revisions it to the Authority for approval.

3. The Licensee shall:

   (a) engage in a public consultation process, including any other form of consultation that the Authority may direct before submitting the Market System Development Plan to the Authority for approval; and

   (b) report in writing to the Authority on the results of that process not later than when submitting the Market System Development Plan to the Authority for approval.

4. Where (and to the extent) required by the Authority, the Licensee shall amend the Market System Development Plan and shall submit such amended plan to the Authority for approval.

5. Where, and to the extent, required by the Authority, the Licensee shall publish the Market System Development Plan on the web-site for the Single Market Operation Business and on the web-site for the NEMO Business.

6. The Authority may from time to time give directions to the Licensee in respect of:

   (a) the matters to be specified in the Market System Development Plan; and

   (b) the review and revision by the Licensee from time to time of the Market System Development Plan,

and the Licensee shall comply with directions given by the Authority under this paragraph.
Condition 19. Procurement of Assets and Services

1. Subject to paragraphs 2 and 3, the Licensee shall procure such assets and services as may be necessary and appropriate to enable the Licensee to discharge its obligations, in its capacity as the holder of a licence granted under Article 10(1)(d) of the Order, under the Order, the Energy Order, the SEM Order, the CACM Regulation, the Licence and the Single Electricity Market Trading and Settlement Code.

2. In procuring assets and services pursuant to paragraph 1, the Licensee shall (where appropriate) do so jointly with the Republic of Ireland Market Operator Licensee.

3. In procuring assets and services pursuant to paragraph 1, the Licensee shall follow a procurement strategy designed to facilitate (to the extent within the Licensee’s control in undertaking the Single Market Operation Business and/or NEMO Business) achievement of the objectives set out in paragraph 4, and which, to the extent that a procurement decision (whether alone or when considered with other procurement decisions) will have a material impact on the costs to be incurred by a class of electricity undertakings, includes the prior consultation by the Licensee with such class of electricity undertakings.

4. The objectives referred to in paragraph 3 are, insofar as the procurement of the Single Electricity Market Trading and Settlement System (and/or the manner in which such procurement is undertaken) can achieve the same:

   (a) ensuring that the Single Electricity Market is developed and, at all times, administered in a financially secure, economical, efficient and coordinated manner;

   (b) minimising (in aggregate) (i) where the Licensee is aware of such costs, the overall costs of the development, implementation and operation of the hardware, software and processes which electricity undertakings require in order to participate in the Single Electricity Market; and (ii) the overall costs of the development, implementation and operation of the Single Electricity Market Trading and Settlement System; and

   (c) facilitating the participation of electricity undertakings in the Single Electricity Market in a manner that does not unduly disadvantage any person or class or classes of persons when compared with any other person or class or classes of persons.
5. Without prejudice to Conditions 2 and 8, the Licensee shall ensure that any assets or services of a material nature provided by the Market Operation Activity and/or the NEMO Activity to any other business of the Licensee, or to the Market Operation Activity and/or the NEMO Activity by any other business of the Licensee, shall (insofar as possible given that the Licensee is a single legal entity) be provided on arm’s length terms (or such other terms as may be approved in advance by the Authority), and:

(a) where such other business is the Transmission System Operator Business, the cost of such provision shall be apportioned between the Market Operation Activity and/or the NEMO Activity (as appropriate) and the Transmission System Operator Business at cost; or

(b) where such other business is not the Transmission System Operator Business, the cost of such provision shall be apportioned between the Market Operation Activity and/or the NEMO Activity (as appropriate) and such other business at a commercial rate.

6. Any question as to materiality arising under paragraph 5 shall be determined by the Authority for the purposes of this Condition.
