DECISION PUBLISHED UNDER ARTICLE 14(8) OF THE ELECTRICITY (NORTHERN IRELAND) ORDER 1992

MODIFICATION OF BUDGET ENERGY LIMITED ELECTRICITY SUPPLY LICENCE

In accordance with Article 14(2) of the Electricity (Northern Ireland) Order 1992 (“the Electricity Order”) the Northern Ireland Authority for Utility Regulation (“the Authority”) published a notice (‘the Consultation Notice’) of its intention to modify the electricity supply licence (“the Licence”) held by Budget Energy Limited (“the Licensee”).

Following the Consultation Notice, the Authority has decided to proceed with the making of modifications of the conditions of the Licence in exercise of its power under Article 14(1) of the Electricity Order.

In accordance with Article 14(8) of the Electricity Order the Authority gives notice as follows:

1. The modification will amend the financial year in condition 2.2 of the Licence. The financial year (as set out in condition 2.2 of the Licence) currently runs from 01 July to 30 June each year. The modification will change the financial year to run from 01 October to the following 30 September.
2. The reason for the modification is to align the financial year in the Licence to the Licensee’s own statutory financial year/reporting period. The modification was proposed following receipt by the Authority of a written request from the Licensee seeking the modification to its Licence.
3. The Authority considers that the modification will not have any effect on any other energy supplier, or on the Northern Ireland retail energy market more generally.
4. The modification is set out below.

Condition 2.2 of the licence shall be substituted as follows:

“The first financial year of the Licensee shall run from the date this Condition comes into force to **31 December 2010** and thereafter each financial year of the Licensee shall run from **01 October** to the following **30 September**”.

5. In accordance with Article 14(5) of the Electricity Order, the Authority is required to consider any representations duly made. The Authority did not receive any representations or objections in the 28 days from the date the Consultation Notice was published.

6. The Authority will therefore proceed with the modification as detailed at paragraph 4 above. The modification will take effect from 11 November 2019 (Date must not be less than 56 days from date of publication of this notice).
7. The Authority has, pursuant to Article 14(8) of the Electricity Order, published this decision on its website and sent a copy of the decision to the Licensee. In addition, the Authority has provided a copy of this notice to the Department for the Economy. The Authority has also sent a copy to the General Consumer Council for Northern Ireland.
8. A copy of this modification can be obtained in hard copy from:
