Dear Roger

Airport Road 110/33kV Substation Pre-Construction Allowance Determination

This letter sets out the Utility Regulator's decision in respect of Airport Road 110/33kV Substation pre-construction costs under paragraph 4.34 of Annex 2 of the NIE Networks Transmission Licence.

Our decision takes account of the information provided to us during the query process. We have determined an additional allowed CAPEX amount (ACTR_X_t) of £631,228 (nominal price base) for the works as profiled below.

		Expenditure Profile	
	Total Cost	FY 19/20	FY 20/21
Pre-construction Works	631,228	549,811	81,417

We will publish the decision by uploading it to our website and including it in the public register required under Article 57 of the Electricity (Northern Ireland) Order 1992

Under paragraph 4.35 of Annex 2 of the NIE Networks Transmission Licence the Utility Regulator may make a determination subject to conditions with which the Licensee shall be required to comply, including conditions as to the monitoring, audit and reporting in relation to the project. In respect of this determination the Licensee shall, in addition to ongoing RIGs reporting, maintain records of costs in sufficient granularity to provide a report or reports of costs against the headings identified in the submission of 24 April 2019 and shall report these costs to the Utility Regulator on request. This will provide the Utility Regulator with additional information and experience which will help inform future decisions of this type.

We look forward to your submission of construction costs for the project which will be subject to a separate determination by the Utility Regulator. Your submission should include a copy of the necessary project specification, agreements and instructions required under the Transmission Interface Arrangements. We ask that you provide a timeline for this submission.

Should you require any further information or clarification please do not hesitate to contact me.

Yours Sincerely
